THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hill, in the County of Merrimack, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Hill on Tuesday, the 12th day of March next, at nine o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town expenses for the ensuing year and to make appropriations for same.

3. To authorize and empower the board of selectmen to borrow for the town by the issue of notes a sum not exceeding \$8,000.00 in anticipation of taxes for the year 1946, said notes to be expressly payable from said taxes within one year from the date of their issuance; and to authorize the board of selectmen to determine the rate of interest on such notes and to provide for the sale thereof.

4. To authorize the sale or lease of real estate acquired by the town through tax collector's deeds for non-payment of taxes, and to authorize the board of selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate, subject to conditions and restrictions as may be voted by the meeting.

5. To see if the Town will vote to raise and appropriate the sum of \$150.00 for Blister Rust control.

6. To see if the Town will vote to raise and appropriate the sum of \$72.00 for the Lakes Region Association.

7. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be placed in a capital reserve fund for the purpose of buying Town equipment.

8. To see if the Town will authorize the selectmen to purchase land to be used for a Town dump.

9. To see if the Town will raise and appropriate the sum of \$300.00 for the purpose of preparing the Town Hall for use in playing basketball.

10. To see if the Town will authorize the selectmen

to turn over land on New Chester Road to the Hill Village Improvement Association with the agreement that the Association bear the expense of improving the school playground for use as a ball field.

11. To see if the Town will authorize the selectmen to sell to James New a part of Town strip bordering route 3A, for the purpose of constructing a restaurant.

12. To see if the Town will authorize the selectmen to give a deed to the abutting land owners for one half of the 20 ft. strips of land now separating the lots, reserving all rights of way for any purpose whatsoever. The making out of deeds and recording of same to be paid for by land owners—this strip of land never to be sold separately thereafter.

13. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the purpose of constructing a suitable soldiers' monument.

14. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the purpose of supporting an Old Home Day.

15. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the purpose of plowing and maintaining the town skating rink.

16. To see if the Town will vote to raise and appropriate the sum of \$544.00 for State Aid Road Construction.

17. To see if the Town will vote to raise and appropriate the sum of \$500.00 for repairs to the Town Hall roof.

18. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, A. D. 1946.

THEODORE S. DICKERSON,
JOHN H. TWOMBLY,
GEORGE C. MASON,

Selectmen.

A true copy of Warrant—Attest:

PREVENT FOREST FIRES—IT PAYS

An average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year destroying many thousand dollars worth of property of all description. It costs many additional thousands of dollars and requires valuable man hours, taken from other essential work, to extinguish them. These losses affect the personal fortunes of the owners, and town and state economies. Everyone loses because of them.

Analysis of fire causes reveals the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable!

We have been extremely fortunate during the past few years. Favorable fire weather and war time restrictions on travel which kept people off the highways and out of the woods have aided materially in reducing fire risks, keeping fires fewer and fire losses low:

We now face changed conditions. People can travel freely. Their love for travel and the freedom of the woods will bring them out in ever increasing numbers. This will step up the fire risks materially. The accelerated cutting of the war years has resulted in additional thousands of slash acres. These factors, combined with a possible dry season and human carelessness could easily produce a catastrophe. Everyone must, consequently, be on his guard. He should

1. Be careful with fire or when smoking in or near woodlands.
2. Cooperate with the local forest fire warden and his deputies by
 - a. Abiding cheerfully with whatever restrictions it may be necessary to impose. They are intended only to be helpful.

- b. Securing permits to burn debris when the ground is not covered with snow.
- c. Seeing that others comply with the requirements.
- d. Promptly coming to the warden's assistance when needed.

If these few fundamental practices are followed it will be possible to PREVENT a large proportion of FOREST FIRES from starting—that PAYS!

OSCAR E. WADLEIGH,
Forest Fire Warden.

SUPERINTENDENT'S REPORT

The report of Superintendent of Schools covers a period of but three months in view of the fact that my appointment did not take place until the latter part of October. The death of Superintendent Fred S. Libbey deprived Hill of one of the foremost public school men in the State of New Hampshire. Mr. Libbey's contribution to the educational welfare of the pupils of the community will long be remembered.

Hill is fortunate in having a splendidly organized, well equipped, centrally located elementary school. The low pupil-teacher ratio enables pupils to obtain considerable individual attention. One of the outstanding strong points of the better private schools is the large amount of individual attention each pupil obtains. Public school children who attend a school in which this condition exists are exceedingly fortunate.

Preliminary testing indicates the need for a carefully organized and sequentially developed reading program. It may be in the best interest of the pupils to introduce a new basic reading system to supplant the heterogeneous material now available for reading instruction.

The evident interest of Mrs. Rounds and Mrs. Fowler in the pupils under their charge is noted with high commendation.

It is a pleasure and privilege to serve as your Superintendent.

Respectfully submitted,

DONALD W. DUNNAN,
Superintendent of Schools.
